NOTES ON SPECIFIC COURSES

▲ The 21/S Introduction to I&V FD4 course is geared towards those taking FD4 for the first time. It is intended to be taken **with** a later 1.8 day FD4 course. It provides guidance on how to approach FD4 papers (reading and preparing your answer) and marking/feedback on a past paper you are asked to do after the course. By attending it, you will be much better prepared to get the most out of the 1.8 day courses.

▲▲ These courses have higher fees as a feature is tutor review and feedback on a past paper you will be asked to attempt before or after the course.

▲▲▲ The FD4 re-sitter course includes tutor feedback on your 2020 exam script plus tutor review and feedback on a past paper you will be asked to attempt after the course. For re-sitters who have attended a JDD FD4/P6 course in 2020 or earlier, the fee is reduced by £50+VAT to £380+VAT.

◆ The 21/F, 21/G, 21/J, 21/K, 21/L and 21/M FD1 courses with Scott Goodall and Ali Lee are being held virtually, using Zoom, because of Covid-19 and the number on each course is limited to 11 to enable a high level of interaction to be maintained. The tutoring time on each course will be 1.5 days distributed over the two days.
