Dates for our 2022 courses

We are holding our Foundation Certificate (FC) courses for the 2022 Patent Examination Board (PEB) exams between 28 June and 22 July. The intention is to allow attendees three months to build on and consolidate their learning during the courses, ahead of the exams in October 2022. Course dates are set out overleaf.

Changes for 2022

The courses have the same FC tutors as for 2021. The FC1, FC3 and FC4 courses will be held in person in Milton Keynes, while the FC2 and FC5 courses will be held remotely over Zoom.

Course materials will be updated to take account of any relevant syllabus changes.

The courses are supported by an online Moodle resources and discussion forum, which 'goes live' in March. It includes material from earlier courses and other relevant material, with new material being added ahead of and after the courses.

The forum provides a mechanism for attendees to raise queries and share knowledge - particularly after the in-person or Zoom-based courses. So we encourage attendees to be active users of and posters on the forum.

“A fantastic course—very well structured and taught” (FC1)

“Jason and Alex were great tutors - excellent content and notes.” (FC2)

“Fantastic presentation of the course material.” (FC3)

Course features

Each course includes extensive materials on the key parts of the syllabus. These will be supplied during the courses (electronically for the remote courses) - and in some cases just ahead.

These notes are discussed and explained by the tutors during the course.

Also, during the course, there is practice of exam questions, with feedback from the tutors and guidance on what to include in answers.

Before and after the courses, you will be connected with other course members through an online Moodle resources and discussion forum.

“Caroline and Darren were excellent tutors - binder of notes really clear and useful.” (FC4)

“Great coverage of case law and past paper questions. Good incorporation of law extracts with notes” (FC5)
