

MODERN SLAVERY STATEMENT

As our annual turnover is well below the £36 million p.a. threshold set out in the Modern Slavery Act (2015) we have not published a modern slavery and human trafficking statement on our website.

As a partnership with no employees, we have no risk of modern slavery/human trafficking in our workforce.

We organise and run professional training courses, in which we engage tutors and hire conference facilities.

All our tutors are qualified Patent and Trade Mark Attorneys. We see no risk of modern slavery/human trafficking among this key element of our operation.

The training venue we use in Milton Keynes is operated by Compass Group, which has set out its modern slavery act statement on its website.
