Dates for our 2024 courses

We are holding our Foundation Certificate (FC) courses for the 2024 Patent Examination Board (PEB) exams between 24 June and 4 July. The intention is to allow attendees more than three months to build on and consolidate their learning during the courses, ahead of the exams in October 2024. Course dates are set out overleaf.

Overview

The FC1, FC3 and FC4 courses will be held in person in Milton Keynes, while the FC2 and FC5 courses will be held remotely over Zoom.

Course materials will be updated to take account of any relevant syllabus changes.

The courses are supported by an online Moodle resources and discussion forum, which 'goes live' in March. It includes material from earlier courses and other relevant material, with new material being added ahead of and after the courses.

The forum provides a mechanism for attendees to raise queries and share knowledge - particularly after the in-person or Zoom-based courses. So we encourage attendees to be active users of and posters on the forum.

“Really good course. Paced well. Great interactivity and tutoring.” (FC1)

“Great course, great tutors and wonderful organization through Zoom.” (FC2)

“Very engaging and fantastic presentation of the course material.” (FC3)

Course features

Each course includes extensive materials on the key parts of the syllabus. These will be supplied during the courses (electronically for the remote courses) - and in some cases just ahead.

These notes are discussed and explained by the tutors during the course.

Also, during the course, there is practice of exam questions, with feedback from the tutors and guidance on what to include in answers.

Before and after the courses, you will be connected with other course members through an online Moodle resources and discussion forum.

“Fantastic course, great teaching! I really enjoyed the separate day for exam question practice.” (FC4)

“Great coverage of case law and exam questions. Sharon broke it down to make it understandable.” (FC5)
