Dates for our 2025 courses

We are holding our Final Diploma (FD) courses for the 2025 Patent Examination Board (PEB) exams between 27 May and 22 August. The intention is to allow attendees ample time to build on and consolidate their learning during the courses, ahead of the exams in October 2025. Course dates are set out overleaf.

Changes this year

Most of this year's FD courses will be held in person in Milton Keynes, but we have some FD1 and FD4 courses that will be delivered remotely using Zoom.

We have retained the team of tutors from last year and courses will be adjusted for syllabus changes.

For FD1, we have a variety of options: 2-day in person courses and 2-day Zoom courses split into two 1-day parts.

For FD4, we have 2-day in person courses and 3-day 'split courses' (one of which is via Zoom), with an introductory day in late May, 2 days in mid-late July and a 2-hour Zoom session in September. These courses are geared towards FD4 first-time sitters.

For FD4 resitters we have a 1.5-day in person course, followed by a half-day follow-up via Zoom.

All courses are supported by an online Moodle forum.

"The tutors were really great ... very helpful advice specifically directed to passing the exam, which is greatly appreciated".

Course features

Each course includes discussion of key parts of the law relevant to FD1.

Handout sheets are provided on exam technique, formalities deadlines, designs and groundless threats.

During the course, there is practice of short and longer-form exam questions, with tutor feedback.

For the Goodall/Lee and Caulfield courses, you will be asked to answer a recent past paper after the course and for the Scaddan/Davis courses look at specific areas of the law ahead of the course.

Before and after the courses, you will be connected with other course members through an online Moodle resources and discussion forum.

“Scott and Ali were excellent, providing individualized feedback while keeping the whole group engaged.”

-FD1 (Lee/Goodall)

“Great tutors— uncomplicated and articulate advice”.

-FD1 (Scaddan/Slater)

“I like the split nature of the course - it helps things sink in”.

-FD1 (Caulfield)
