#### **NOTES ON SPECIFIC COURSES**

▲ The 25/Q & R FD4 'split course' are geared towards those taking FD4 for the first time and who would like to attend an introductory Day 1 in May-June, which provides guidance and initial practice on how to approach FD4 paper followed by a further 1.5 days, in mid-July, which will cover in more detail key aspects of the paper, along with practice of the learning so far. You will be asked to do a past paper after Day 1, receiving feedback, and a further paper after Part 2. There will be a 2-hour Zoom meeting in September to discuss the recent paper tackled and for any further queries. The split course provides a more gradual and thorough introduction to FD4 than the more intensive 2-day courses.

▲▲ These courses have higher fees as a feature is tutor review and feedback on a past paper you will be asked to attempt before or after the course.

▲▲▲ The FD4 re-sitter course includes tutor feedback on your 2024 exam script plus tutor review and feedback on a past paper you will be asked to attempt after the course. For re-sitters who have attended a JDD FD4/P6 course in 2024 or earlier, the fee is reduced by £60+VAT.

The 25/K & L courses are being held virtually, using Zoom, with the number on each course limited to 12 to enable a high level of interaction.
